## Random generator

The system is easy to use and ready for more complex drawings. Each project can involve different prize categories and have a different number of prizes, for instance 10 TVs and 999 books.

You can draw winners using different methods - real random numbers, pseudorandom algorithms or blended random sets.

## DRAW WINNERS

random. easy. trusted.

Random Picker helps you draw winners for your contests, giveaways or raffles. The platform is the world's most used independent service for unregulated draws.
